**Other Support**

Mike offered support from his own website (Official Internet Supporters Group?) for:

*Prediction League* (Originally Sponsored by Unique Sports, Mike to discuss future sponsorship)

*Terrible Trebles Competition* (???)

*Interviews with Club Officials / Players* (simple concept where Questions are emailed to interviewee and reply sent via email)

*MOM Award Competition* (Vote for your MOM, at the end of the season winner gets Trust Player of the year award)

**Email Accounts**

Currently we are all sending emails from our own email addresses, for a more professional look to the Trust, we need a Trust email account. John already has this.

Idea: Email accounts for the Board members, no names just roles

John said that the website would be best on a Wordpress Web Software Platform, <http://wordpress.org/>.

Cost

Hosting cost £60 per year

John offered the set up and running of the website free of charge, may incur costs in future years?

**Actions**

John to send Paul – Email addresses for the Amateur Clubs in Cumbria

Paul to send John – Logo Competition document.
